

So Where and What is this sandwich Celebration?

This week is the Sandwich Anniversary. It is amazing what can happen when God is in something. So this is cause for celebration. On Wednesday the 28th we will be out at our normal time of 12:00 but the difference is we will have one big sandwich for everyone to share. I invite everyone who is available to come out, have lunch, share community, and see God at work in the community first hand. It is going to be a great time.

1. Take King St. West over US 1
2. Continue on West King over the first set of railroad tracks.
(if you go over a second set of railroad tracks you have gone too far)
3. Then make a RIGHT on N MCLAUGHLIN ST.
4. Then make Your first RIGHT which is CATHEDRAL PLACE
5. Continue down Cathedral about a block and there you are.
